

Notification

The T2D Project is the final 10.5km section of the North-South Corridor, and will complete 78km of non-stop, traffic light-free motorway between Gawler and Old Noarlunga. Drivers will be able to bypass 21 sets of traffic lights as they travel through two separate tunnels, connected by an open motorway.

What's happening

Resurfacing works at the intersection of South Road and Cross Road have now been completed.

Finishing works, including the second coat of line marking are required at the intersection and expected to take place over two nights - Tuesday 30 April 2024 and Wednesday 1 May 2024, weather permitting.

These finishing works will be undertaken at night between 6pm and 7am.

How this affects you

To safely undertake these works, short-term speed and lane restrictions will be in place with one lane of traffic open in both directions during work hours.

Adjacent streets may have short-term local detours as works progress. Please follow onsite traffic signage and follow the direction of traffic controllers while works are in progress.

Outside of work hours, South Road and Cross Road will be fully open with speed restrictions in place.

Pedestrians and cyclists might also need to use a different path during the works; however, signs will show you where to go.

Some properties on South Road will have some short-term restricted access. Affected property owners, residents and businesses will be contacted directly in advance. Traffic controllers will be on site to assist with access.

Some noise disruptions can be expected while works are completed, but we'll do our best to keep the noise to a minimum.

Bus stops in the area may be affected for a short time. Please pay attention to the signs at the bus stops and check the latest updates at [adelaidemetro.com.au](https://www.adelaidemetro.com.au) for more information.

For all after hours operational and access enquiries, please contact Downer Group on 1300 012 413.

When

Tuesday 30 April and Wednesday 1 May 2024, weather permitting.

Hours of work

Between the hours of 6pm and 7am

Where

Intersection of South Road and Cross Road.
