

# South Australian Regional Bridge Upgrades

**Onkaparinga Valley Road, Oakbank and Balhannah Night Works**  
The Department for Infrastructure and Transport (the Department) is upgrading a series of bridges and culverts across regional South Australia to extend the service life of the structures and improve safety for road users.

As part of these projects a portion of the works will require temporary night works at the bridge over Onkaparinga River tributary on Onkaparinga Valley Road, Oakbank (near Beasley Road) and at the bridge over Onkaparinga River tributary, on Onkaparinga Valley Road, Balhannah (near Pugh Road).

**Onkaparinga Valley Road, Oakbank** - works are scheduled to be undertaken at the bridge on:

- Wednesday, 4 October 2023 from 8pm until 6am Thursday, 5 October 2023; and
- Thursday, 5 October 2023 from 8pm until 6am Friday, 6 October 2023, weather permitting.

**Onkaparinga Valley Road, Balhannah** - works are scheduled to be undertaken at the bridge on:

- Friday, 6 October 2023 from 8pm until 6am Saturday, 7 October 2023, weather permitting.

To undertake these works safely, traffic will be reduced to a single lane with traffic controllers on site to control the direction of travel. Speed restrictions will also be in place throughout the work area.

Road users are asked to please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Pedestrian and cyclist access will be maintained at all times, with traffic controllers onsite to assist.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible. The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website [www.dit.sa.gov.au/SARegionalBridges](http://www.dit.sa.gov.au/SARegionalBridges) to register.
