

River Murray Flood Recovery

Bookpurnong Road Works

We are undertaking flood recovery works on Bookpurnong Road, Gurra Gurra. These works form part of a \$60 million program funded by the State Government to repair roads impacted by the River Murray floods.

What's happening:

Works include pavement sealing and shoulder repairs on the section of Bookpurnong Road affected by the River Murray flooding.

How this affects you:

There will be changes to traffic conditions to keep everyone safe. Traffic will be intermittently reduced to a single lane, with traffic controllers in place to control the direction of traffic. Outside of working hours, speed and lane restrictions will need to remain in place, until completion.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum. You might also notice some odours, which is normal during asphalt work.

For further information:

- Contact the project team via email at DIT.Engagement@sa.gov.au
- Call 1300 794 880

When

Monday 18 March 2024 to mid-April 2024, weather permitting
