

Notification – January 2024

River Torrens to Darlington

Utility Services Investigation night works

We are continuing to undertake direct investigations of utility services along South Road. These investigations are now required at the intersection of Cross Road and South Road.

Location and timing

From **Monday 8 January 2024** for approximately **1 week** and will be carried out between **7pm** and **6am**. Please note works are weather dependent and scheduling may be subject to change.

What to expect

- Temporary traffic and speed restrictions will apply in the vicinity of the works.
- Signage will be in place to alert road users to the change in traffic conditions. Road users are advised to take care when travelling through the area.
- Lane and footpath closures will be required to complete this work.

During works you may notice additional ground and traffic management personnel and equipment within the area. Some disturbances can be expected such as noise, dust and vibration caused by investigation works.
